

## **ABOUT THE RECRUIT TRAINING PROGRAM:**

The recruit academy is an in-house training program where members participate in the requisite requirements to seek certification as a State of Illinois “Basic Operations Firefighter.” Classes will be held from mid-January 2025 through June 2025. Classroom and skill questions will be held on Tuesdays and Thursdays from 6:00 p.m. – 10:00 p.m. and generally from 8:00 a.m. – 5:00 p.m. on Saturdays. Students must meet the strict attendance, academic, psychomotor, and physical standards to complete this training program successfully.

This training program is a scholarship program, meaning students are not compensated during the BOF academy stage of the training program. The Fire District will provide the training class, books, personal protective equipment, and basic materials to the candidates selected for the program.

Upon successfully completing the BOF training program, recruits may be transitioned to part-time trainees, who will be compensated for their ride-along and in-service training.

Once candidates obtain their BOF and EMT-B certifications and have successfully completed their in-service training, they can serve as part-time firefighter/EMT’s working shifts, special events, and call-backs. As members demonstrate high proficiency and dedication, they may be assigned as “Apprentice Part-Time (APT) members who work a traditional firefighter schedule as part of the shift and may earn valuable preference points during our full-time hiring process.

Recruit candidates who complete the BOF program but have not yet earned their EMT-B certification may be eligible to participate in our in-house EMT-B training program in the Fall.

## **HIRING REQUIREMENTS & PROCESS:**

This competitive testing process will measure candidates based on their written examination, oral interview, and qualifications.

**Applications Due:** Completed applications must be received by 3:00 p.m. on October 18<sup>th</sup>, 2024. An application must be received before the written exam can be taken online.

## **PROGRAM ACCEPTANCE**

**Selection for conditional offers of program participation will be based on candidates successfully meeting the hiring process and scoring from the written examination, oral interview score, and successful completion of the below evaluations:**

**Background Checks:** This will be conducted upon acceptance of a conditional offer of acceptance into the training program. Candidates must fully cooperate with this process.

**Medical Physicals** Will be scheduled for candidates who clear the background testing. The medical testing will include a drug screen, hearing, vision, and comprehensive occupational physical evaluation by Fire District physicians.

**Upon acceptance into the training program, candidates must follow the established rules, adhere to all department policies and procedures, and continually maintain themselves in good standing for continued participation in the program.**
