

Project Fire Buddies

We are firefighters who offer support and give back to children battling critical illness.

There are many ways to get involved!

Have you heard of Project Fire Buddies? This organization aims to bring joy to children struggling with critical illnesses.

Our chapters brighten the days of our Fire Buddies through occasional visits, gift giving, and providing once in a lifetime experiences.

If you know of a child in need, email our Executive Board at contact@projectfirebuddies.org.

If you would like to know more about our organization or to **donate**, visit our website: projectfirebuddies.org
